Barclays Triples the Number of Sponsored Students It Takes from Business School

The screenshot displays the Barclays Careers website. At the top, the Barclays logo is on the left, and navigation links for 'Barclays worldwide', 'Contact us', and a search bar are on the right. A horizontal menu below the logo includes 'Home', 'About us', 'What we do', 'News', 'Citizenship', 'Investor Relations', and 'Careers'. The 'Careers' section is active, featuring the heading 'Work for Barclays around the world. Apply for a role now' and a progress indicator for 'Step 1 Select your entry level > Step 2 > Step 3'. Below this, four entry level categories are shown with representative photos: 'School leaver', 'Graduate or intern', 'Experienced', and 'MBA'. The 'Meet our people' section highlights Darren McKay, a Director at Barclays Corporate Development, with a quote about his experience. The 'Our business areas' section lists 'Retail and Business Banking', 'Corporate and Investment Banking and Wealth Management', and 'Absa'. A sidebar on the right contains promotional messages: 'Are you a future Barclays leader?' with a globe icon, 'School leavers can have it all' with a fireworks icon, and a 'Done' taskbar at the bottom.

Our business areas

Retail and Business Banking
 Barclays is an international financial services company, and its commercial and retail banking businesses are core to the Group.

Corporate and Investment Banking and Wealth Management
 These businesses offer a range of products and services to meet the needs of affluent individuals and corporate, government and institutional clients all over the world.

Absa
 The Absa Group is one of South Africa's largest financial services businesses. In 2005, Barclays acquired a majority stake in the company, in line with our international expansion plans.
